

Integrated Dealer Systems— CREDCO Data Sheet

First American CREDCO

“In order to further benefit our customers, IDS has partnered with First American CREDCO to offer your dealership fast, integrated access to consumer credit reports.”

Features and Benefits

- Order and receive credit reports from the national credit bureaus (Equifax[®], Experian[®], and TransUnion[®]) from one source
- Fully integrated with your Astra Dealer Management System
- Reports are delivered in seconds so that deals can close faster
- No monthly fees, minimum requirements, or out-of-area charges—pay for only the credit reports you order

Enjoy the Time-Saving Efficiency of Integrated Credit Reports

- Reports available from all three bureaus simultaneously
- No duplicate data entry to order credit reports
- Standardized report format for quicker analysis of customer credit history
- Joint applicants (i.e. husband and wife) combined into one easy-to-read report
- FICO[®], bankruptcy, and custom score models available for fast, objective measurement of your customer's creditworthiness

About First American CREDCO

First American CREDCO specializes in providing credit information products and services to the RV and marine industries. Their experienced, FCRA-certified customer support representatives are available when you need them to answer your credit-related questions and help with consumer disputes.
