

Our new **Service Writer Dashboard** provides a color-coded visual display with 'at a glance' updates and powerful filtering tools to ensure that you always know *exactly* how well your Service Department is performing!

Get the knowledge you need, when you need it!

A busy Service Department needs to be managed effectively to ensure efficiency. Our new **Service Writer Dashboard** provides at-a-glance views and powerful filtering tools to help you find the information you need to make the most of valuable time and resources ...

The Service Writer Dashboard provides a snapshot of key shop measurements, including:

- *Work Order Statistics*
- *% Dollar Volume of Closed Work Orders*, displayed in a color-coded pie chart
- A graph showing the *Work Order Dollar Value*,
- A grid displaying all *Overdue Promise Dates*

Powerful filtering tools provide quick, easy access to the information you're looking for. You can even Save your filters for future use - saving you even *more* time and effort!

The **Service Writer Dashboard** Ribbon provides 'one-click' access to Service Scheduler's powerful scheduling and Appointment Calendar functions. The Service Writer Dashboard helps you ensure that valuable time is allocated effectively and efficiently.

Our new Service Writer Dashboard provides the comprehensive yet detailed information you need, *when you need it!*

Colorful displays and powerful filters help ensure that *your* Service Department is operating at maximum efficiency!
